

BILLINGS OVULATION METHOD™ TRAINING SEMINAR

AUCKLAND 8th–9th July 2017

CHRISTCHURCH 30th Sept–1st October 2017

A Programme for Health Professionals, and those wishing to become accredited teachers of the Billings Ovulation Method™

The Billings Method™ is a means of natural fertility regulation that does not require any form of rhythm counting, temperature taking, drugs or devices.

Successful completion of the course allows participants to register as Trainee Billings Ovulation Method™ teachers.

Health Professionals will gain an increased understanding of the ovarian, cervical and vaginal responses, their relationship to fertility and infertility patterns and/or ovarian dysfunction. The doctor will gain confidence in relying on the woman's own charted observations, as a way of monitoring her reproductive health and to assist a couple in achieving or avoiding pregnancy.

The Seminar will also Benefit those involved in pre-marriage counselling and those wishing to promote the method within their community.

The "Billings Ovulation Method Training Seminar" has been endorsed by The Royal New Zealand College of General Practitioners (RNZCGP) and has been approved for up to 13.75 CME credits for the General Practice Educational Programme (GPEP) and Maintenance of Professional Standards (MOPS) purposes.
